Welcome Message

The 2026 Waco Sports Corporate Cup, presented by Ascension Providence aims to bring together the power of sport to inspire our community. We're excited about bringing this event to Waco for the second year! The Corporate Cup will feature teams from across the region in 17 events and will support a variety of local charities. This year's event will be held at McLennan Community College again, offering all the excitement and energy of a lively tailgating atmosphere. This is the perfect opportunity for team-building and fostering camaraderie.

As your company's team captain, your key responsibility is to recruit employees and complete the online registration. The Greater Waco Sports Commission (GWSC) will be here to assist you throughout the process with virtual calls and newsletters. Included in this packet, you'll find details on the event format and scoring for each challenge. We are thrilled to have you join us for the Waco Sports Corporate Cup and look forward to seeing your team compete for division bragging rights. Best of luck, have fun, and we can't wait to see everyone!

Event Format

4 players (1 of whom must be female) will start each game. Matches are best-of-3 and the tournament is single elimination. Each game will have a time limit after which the team with the most players still on the court will win. Catching a ball does allow a team member to be sub/added back in the game. If teams have the same number of players then the game will go into “sudden death” where the first team to get an opposing player out will win. The object of the game is to eliminate all opposing players by getting them “OUT”. This may be done by hitting an opposing player with a LIVE thrown ball or by catching a LIVE ball thrown by your opponent before it touches the ground. There will be 4 active balls on the court and it will be a violation for either team to control all 4 balls for more than 5 seconds.

Kan Jam (Frisbee)

Participants per Division:

D1: 2, minimum of 1 female

D2: 2, minimum of 1 female

D3: 2, minimum of 1 female

Event Format

The tournament will be single elimination bracket format. Teams will take turns throwing frisbees at the target (Kan Jam goals) until a team reaches the score of 21 or whoever is in the lead after the per game time limit. Teams will take turns throwing, with one team member being a “thrower” while the other teammate is a “deflector” who has the chance to earn 1 point for the team if redirected in the goal. Goals and frisbee throws will be 35 feet away and a frisbee that enters the top of the goal is worth 3 points, a frisbee that hits the goal is worth 2 points, and a frisbee slapped or deflected in by the deflector is worth 1 point. If a frisbee is thrown into the goal’s slot, that team automatically wins the match. Teams must score exactly 21 points to win. Teams will receive a scoring penalty based on the number of points scored on that throw. (For example, if you have 20 points and score 2 instead of 1, your score would be reduced to 18. If you have 19 points and score 3 instead of 1, your score would be reduced to 16.) Teams get 2 throws each (one per teammate) then rotate to allow the opposing team to do the same.

CHARITY CHALLENGE

Your Bank for Life

TFNB Your Bank For Life Charity Challenge

Each charity will rank teams within their divisions based on the total cash donations, hours logged, units of blood donated, and hosting a blood drive. The Greater Waco Sports Commission will then use these rankings to allocate points for the overall Corporate Cup competition. Teams must indicate their Corporate Cup involvement when donating or volunteering to ensure accurate tracking.

Earning Points:

Points are awarded in four categories—volunteering hours, cash donations, hosting a company blood drive, or donating blood. Each charity will score teams in their respective categories, and the final division ranking will be determined by averaging these scores.

Bonus Points:

- Donate to three charities: 15 bonus points
- Donate to four charities: 20 bonus points
- Donate to five charities: 25 bonus points

The 1st place team will receive 100 points, the 2nd place team 90 points, with scores decreasing incrementally by 10 points until the 9th place team receives 20 points. All teams finishing 10th or lower receive 10 points, provided they have participated.

Monthly rankings will be published online and distributed through the team captain newsletter, keeping everyone updated on the progress of the Charity Challenge. For any donation questions, please contact the charity representatives or the Greater Waco Sports Commission.
